

ECAEYC July 2012 News

Dear ECAEYC members and friends,

How are you doing this summer? I hope you are surviving the heat and finding time to relax a little.

Our members unanimously voted to retain our current leadership. The board thanks you for your vote of confidence. This means we need to start looking for others in our affiliate to take on upcoming responsibilities.

Membership remains at 45. There are 10 comprehensive, 25 regular, and 10 student members.

The SDAEYC Leadership Retreat is this Friday and Saturday, July 20 and 21, in Brookings. It is so nice to have it in our area. Local and state affiliate leaders gather to discuss responsibilities, current issues, concerns, and successes. All who attend are rejuvenated by ideas from each other, networking, and being together with the same focus.

August will be a month to organize our resources and plan for the future. Keep in mind that our Fall Social will happen once school begins.

Have a pleasant July,

Tammy Clark
ECAEYC President
